

# Children's indoor rope park

Family arena just entertains you!

The family arena in the form of a children's covered rope park can be found in the interior of the nearby Bowling Bar Benecko, which you are sure to know thanks to excellent homemade pizza and delicious cocktails. Both in the winter season and in the summer, a "Children's Indoor Rope Park" is ready for your little ones - with lots of obstacles, climbing frames, bridges,... and a short water slide, on two floors.

We believe that parents will appreciate this fun for young and old, not only when the weather is bad, but also when eating and drinking. They will be able to enjoy it in peace, while the children will have fun safely in the two-storey covered rope park of the Family Arena.

Opening hours:

according to the opening hours of Bowling Bar Benecko or

at any time in the number of more than 5 people after prior reservation (602 294 201) for the price of 99 CZK / person / day

We look forward to your visit!
